

### AWARD FEE PLAN

 A committee consisting of the XXX contract Project Officer, cact Technical Liaisons, Division Director and XXX Testing Team Leader will evaluate the quality of services and products as defined in the SOW, deliverables and performance standards. This evaluation will be conducted every 6 months.

The committee will use the following evaluations for each of the required tasks and task standards:

Excellent:	Little or no additional work is needed:	Award 100% of fee
Satisfactory:	Services and products are adequate overall. Areas of deficiency are offset by areas of above-standard performance:	Award 75% of fee
Partially Met:	Services and products are deficient in 50% or more of evaluation criteria (SOW, Deliverables, Performance Standards):	Award 0% of fee.

Therefore, out of the pool available for each of the required tasks with a task standard, an award of the available award fee pool of either 100%, 75% or 0% will be made.
